CURRICULUM FOR LOCAL EXAMINATIONS IN MUSIC.

The University of Toronto Local Examinations in Music are held annually at specially announced dates within the months of June and December. The examinations in theory will be held in the first week in June and December.

The December Local Examinations in the practical branches will be held in Toronto, and at the discretion of the Senate may be held at other places. Applications for the December examinations must be forwarded to the Secretary of the Faculty not later than the first of November.

The Local Examinations include the Elementary Grade and Teacher's Course in piano, the Primary, Junior and Intermediate grades in the practical branches (piano, organ, voice, violin and violoncello), and the Junior, Intermediate and Senior grades in the Theory of Music.

As necessity arises examinations will be announced in other practical branches.

Various local centres, each under the charge of a local representative, have been established in the different parts of the Dominion. Five candidates in one department are necessary to constitute a local centre.

Applications for local examinations must be forwarded to the Secretary of the Faculty not later than May 9th. The fees for examination and certificate must, in all cases, accompany the candidate's application for examination. The fee for certificate will be returned to unsuccessful candidates.

The names and addresses of candidates should be written on the proper form of application which may be obtained through the local representatives, or upon application to the Secretary of the Faculty.

A list of the successful candidates will be published in the Toronto papers as soon as possible after the examiners have completed their duties.

Candidates in practical subjects are informed that when any particular edition is named, for the purpose of identifying compositions, the use of such edition is not compulsory. The examiners will accept any edition, but candidates are particularly cautioned against presenting wrong pieces, as errors in this respect will invariably result to the disadvantage of the candidate.

The total number of marks necessary to pass in any subject is 60; second class honours, 70; for first class honours, 80; maximum, 100.

In the Intermediate and Senior grades in the Theory of Music, the candidate must obtain 60 per cent. of the marks assigned to Harmony in order to pass.

Candidates in the practical subjects may, if desired, pass at once to any higher examination in the series without first passing the lower grades.

There is no appeal whatever from the decision of the Examiner or Examiners.

SECOND YEAR.

HARMONY.

Examiner—ALBERT HAM, Mus.Doc., F.R.C.O.

1. Add three parts to the following melody. Figure the bass.

The musical score consists of two staves. The top staff is in common time with a key signature of one sharp. It contains a melody line with eighth-note patterns. The bottom staff is also in common time with one sharp. It contains a bass line with quarter notes and a figured bass line below it. The figured bass uses Roman numerals and other symbols to indicate harmonic progressions.

2. Harmonize this figured bass.

This figure shows a single bass staff with a series of chords indicated by Roman numerals and other symbols. Above each chord, a Roman numeral is written, followed by a hyphen and a number, likely indicating the harmonic function and degree of resolution. The bass line consists of quarter notes and rests.

3. Carefully describe every chord in the following. Precede and follow each chord by one or two other appropriate chords. The whole exercise should be in the key of B flat major.

A horizontal staff with ten numbered labels (a) through (j) above the corresponding chords. The chords are represented by vertical columns of dots, with some columns having additional symbols like 'b' or '7'. Below each column is a Roman numeral indicating the harmonic function.

4. Resolve these chords. Enharmonically change them and resolve them in various keys.

The image shows three musical chords on a single-line staff. The staff begins with a bass clef. Above the staff, the label '(a)' is positioned above the first chord, '(b)' above the second, and '(c)' above the third. The first chord, labeled '(a)', consists of two vertical stems with open circles at the top; the left stem has a sharp sign above it and the number '7' below it, while the right stem has a sharp sign above it and the number '8' below it. The second chord, labeled '(b)', consists of two vertical stems with solid black circles at the top; the left stem has a double sharp sign above it and the number '5' below it, while the right stem has a double sharp sign above it and the number '6' below it. The third chord, labeled '(c)', consists of two vertical stems with open circles at the top; the left stem has a natural sign above it and the number '7' below it, while the right stem has a natural sign above it and the number '8' below it.

5. Write examples of Double and Triple Suspensions, Inverted Cadences, Tonal and Real Sequences and False Relation.
